Dry Ice Storage

ASCO Dry Ice Container AT240W

part no. 4063652

The **ASCO** Dry Ice Container AT240W made of polyethylene with foam filled cavities provides excellent insulation values.

The container has a lid with integrated hinges and a simple but very stable closing mechanism. The locking made of stainless steel is adjustable and offers the possibility to seal the container.

The integrated securable wheels (2 fixed wheels, 2 castor wheels) allow easy handling wherever the container is needed. The wheels are within the scope of supply, but are not mounted at delivery.
